Mr. Christopher Carvalho
Director of Technology
Yonkers Public Schools
1 Larkin Center
Yonkers, New York 10701

Dear Mr. Carvalho:

Thank you for being a loyal World Book Online customer. I have prepared a price quote for the Yonkers School District based on your current *World Book School and Library/Children's Edition* for the entire district and *World Book Advanced* for the high school. The subscription price per student is the same as last year that runs from July 6, 2018 to July 6, 2019. There is no per student price increase.

World Book Children's Edition for the entire district includes *World Book Kids, World Book Student, World Book Discover for Differentiated Learning, Early World of Learning and Enciclopedia Estudiantil Hallazgos,*

World Book added many new features and enhancements in 2017 and 2018. World Book Online now provides a seamless integration with Google Drive and Google Classroom that allows content to be saved and shared. This expansion in addition to the future integration with Microsoft 365 will make lesson planning easier,

World Book has re-designed *World Book Student* for 2018. The newly re-designed *World Book Student* provides students with a more visually engaging interface and allows for ease of use on all devices including desktop computers, laptops, tablets and smart phones. Additional features that will be added to World Book Online during 2018 will include science projects, enhanced trivia quizzes, a more robust educators section and an upgraded search engine that will improve relevancy and versatility.

Early World of Learning will also be re-launched in 2018 with expanded content and additional games, quizzes, videos, and images.

I look forward to continuing professional development in the spring and fall at the individual schools in the Yonkers District. I appreciate your business.

Best regards,

Pat Marinello
