This is an annual maintenance, repair and training service contract for emergency power systems currently working in 11 school buildings. There are also provisions for performing owner directed additional work on a requirements basis at contract unit prices. It is renewable annually under mutual agreement for up to two additional years. All terms and conditions remain the same except that changes to the NYS Prevailing Wages will be reflected in future extensions if applicable.

Rationale: This service contract, developed by School Facilities Management, ensures the safe and reliable operation of the district emergency power systems. It was last bid in 2014, awarded to FM Generator for \$82,266.32 and extended twice.

FOCUS POPULATION: The students and staff of Schools: Boyce Thompson, School 15, M L King, Cedar Place, Enrico Fermi, Yonkers Montessori Academy, Riverside High School, Lincoln High School, Yonkers Middle High School, Saunders High School and School 13

ASSESSMENT PROCESS: School Facilities Management Department will evaluate performance of contractor with on-site inspections and record keeping.
