RE: Request for Emergency Declaration
Gorton HS Water Service Break Repair

I have approved the attached Request for Emergency Declaration from Executive Director John Carr. On or about Monday, August 20, 2018, the custodian reported water in the ground level "Boiler Room". It was determined by School Facilities staff that the water service line to the building was leaking and the water supply to the building was shut down immediately.

Repairs to the water service are to be made on August 22nd and final repairs to the excavated area of sidewalk, curb and pavement are pending, weather permitting.

Landi Contracting was contacted to make the repairs. The total cost of this work is not expected to exceed \$30,000.00.

Thank you for your cooperation and consideration of this request.

**RE: REQUEST FOR EMERGENCY DECLARATION
GORTON HS WATER SERVICE BREAK REPAIR**

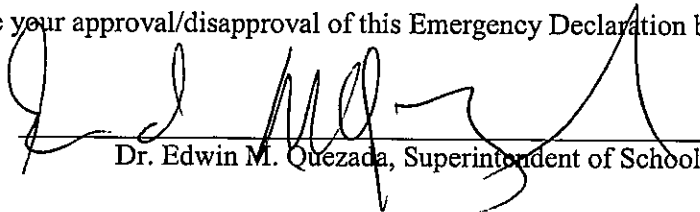

On or about Monday, August 20, 2018, the custodian reported water in the ground level "Boiler room". School Facilities staff were contacted and determined that the water service line to the building was leaking. Due to the nature of the leak the water supply to the building was shut down right away.

Repairs to the water service are to be made on Wednesday, August 22, 2018. Final repairs to the excavated area of sidewalk, curb and pavement are pending, weather permitting.

Landi Contracting was contacted to make the repairs. They have performed well in the past and at reasonable cost on several previous utility breaks. The total cost of this work is not expected to exceed \$30,000.00.
