Notice

This quote is valid through the expiration date stated above. After this date a new quote will need to be generated. Tax is not included in this quote. eMath Instruction Inc. is required to collect sales when a tax exempt certificate is not provided. Official purchase orders that contain a tax exempt ID are considered valid. If your organization is tax exempt and your ID is not printed on your PO please submit a tax exempt certificate with your PO. All public, government run schools will receive net 30 day terms. All other schools and organizations must submit payment with your purchase order or contact us prior to placing your order for prior authorization of terms.
