Re: Improvement to Gymnasium Complex, Roof, Exterior Door Replacement and Security Upgrades at the Saunders Trades and Technical High School – Electrical Bid

Attn: Lee Pavone

Dear: Mr. Pavone

I understand that our bid for the Base Project along with both Alternate #1 and Alternate #2 are being accepted for the aforementioned project. Our price at bid time for all three is correct and accurate and is still accurate as of this date.

Very Truly Yours

Donna Capone
Project Executive
