This is to amend one of the five contracts awarded to separate firms Via Board Resolution Item 17.5 dated January 20, 2016. That resolution provided up to \$1 million for A/E work over three years, ending January 2019.

Rationale: This amendment is required to provide funding for fees for work beyond the original funding of \$1 million. Principally for the assignment of the Boyce Thompson CIP 10817 and immediate design work for the 2019 & 2020 construction season. Sammel has performed acceptably. With the fee for this project, SAMMEL total fee to date is \$1,007,167.00. The \$1.5 million dollar figure indicated above is an upper limit for expenditure under this agreement and will not be encumbered unless specific tasks are assigned, via Board resolutions.

Funding: CAPITAL BOND FUNDS ON A PROJECT BY PROJECT BASIS.
