John,

VBQ not needed but I never heard of this company so I sent it up, we do not have to wait for results. I will ask Paul to disregard. I will send Azar a letter explaining why their bid is being rejected.

Please advise who will contact the 2<sup>nd</sup> lowest: WINDOW WEAR BY GINA (\$12.600.00) See bid documents for phone # etc....

Fran,

I think you have to reject Azar for qualifying his bid and go the next low bidder. We required them to price 90 hours of labor, he did not.

Also, do we really need an expensive and often inconclusive VBQ for \$14,000 worth of work?

Greetings,

Please see abstract for the auditorium chairs. 6 bids rec'd...1 rejected as the bid was not sealed.

I sent VBQ to IG for evaluation. I will advise as soon as I hear from Paul.

Lowest bidder is Azar decorating (I called to ask about the hourly rate (24 hr to do?) to see how he determined this as he did not attend sight visit, I left him a message to call me back)
