Thank you for the opportunity to serve you!

1. All conversion, installation and other services will be done remotely. If onsite services are requested, district will be required to pay and additional fee and for travel expenses incurred by MBA.
2. All training services assume a 'Train the Trainer' model. To maintain quality and depth of knowledge, training sessions are limited to a maximum of five participants from a single school/district.
3. All Plugins are designed to work on a PowerSchool supported version.
4. Custom Page Management must be enabled to use plugins.
5. It is required that MBA is assigned a temporary user id and password to PowerSchool during implementation services.
