Attn: Ms. Debra Censi,

Re : Request to withdraw from Bid No : IFB-6455A Contract -1 Site Work  
Yonkers Public School 17, 745 Midland Avenue, Yonkers, NY 10704.

Dear Ms. Censi,

This is to confirm my telephone conversation today Wednesday February 05, 2020 with Ms. Jennifer D. Hubbard, in which I gave notice to and advised Ms. Jennifer D. Hubbard of the existence of a mistake in our bid on Bid No : IFB- 6455A Contract -1 Site Work for Yonkers Public School 17 located at 745 Midland Avenue, Yonkers, NY 10704 submitted on this project on Friday January 31, 2020.

The mistake involves an error in the total amount of \$ 425,00.00 resulting from estimating errors involving major items of work such as the asphalt paving work, play ground surfacing work and the underground piping work. This error is reflected in the total bid price and thus this mistake should be added to the total computation of our total bid.

In view of the error involved, we hereby respectfully request permission to immediately withdraw our bid from consideration. Please advise the undersigned as to any supporting documentation you will need in order to verify the existence of the mistake, and it will be promptly transmitted to you.

We are sorry for this decision and the lost opportunity to do business together with Yonkers Public Schools. We look forward to future cooperation in other projects. Please feel free to call me at 914-403-3702 if you have any questions.

Sincerely
