SYNNEX Contract #01-65

On August 1st, 2016, SYNNEX was awarded a NCPA contract for Cloud Collaboration and Storage Services. Under the original RFP Tab 8, there included a clause for "Value Added Products and Services" which allows the vendor to add "any additional products/services available that the vendor currently performs in their normal course of business that is not included in the scope of this solicitation that will enhance and add value to this contract for all NCPA participating agencies."

NCPA has accepted the entire SYNNEX Line Card Catalog under this clause for Tab 8. This allows SYNNEX to provide not only Cloud Services under the contract but also extend out their entire catalog which will be a great benefit to NCPA participating agencies. In addition, SYNNEX acquired Westcon Comstor on 9/1/2017. Westcon Comstar is a division of SYNNEX and, as such, the vendors on their line card qualify for inclusion on this catalog contract. Please refer to the attached line card for a listing of the manufacturers that are included in our NCPA Contract 01-65. The catalog contract can be verified at www.ncpa.us.

If there are any questions on this matter feel free to reach out to me directly at 832-477-3475 or by email at japplegate@ncpa.us. Thank you

Sincerely,

Jonathan Applegate
Director, Operations

ADVANCING IT INNOVATIONS

Map your destination to increased productivity, cost savings and overall business success. Our distribution centers are strategically located across the United States to provide you with product where you need it when you need it. Each of our distribution centers provides our customers with warehouse ratings of nearly 100% in accuracy and PPS (pick, pack and ship) performance. Couple that with unsurpassed service from our infrastructure support, giving you one more reason why you should be doing business with SYNNEX. That's service and infrastructure support you can rely on!

SERVICES

Sounds simple, but at SYNNEX we understand that true business growth requires access to meaningful, tangible business infrastructure, tools, and resources. That's why over the last year we've invested heavily in providing our partners with high-impact business services, designed from the ground up to provide real value, and delivering on our commitment to provide unprecedented support to our most valuable asset, our partners.
