- Single Source: Upgrade to existing software available only from the software developer's designated Value Added Reseller for this territory.
- Single Source: Continuation of an on-going service already procured from this vendor. Provide the reasons why it would not be prudent to procure these services from another vendor.
- Single / Sole Source: Sole provider of a patented or licensed service.
- Single / Sole Source: The requesting Department can demonstrate that such services, due to unique or special circumstances, cannot be procured through a competitive Request for Proposal process.

REQUIRED JUSTIFICATION: Provide detailed reasons why it is in the best interest of the taxpayers to contract with this vendor without competition. List other vendors and quotes that were obtained during the process.

SAS provides a critical service for District students with a proven record of success in substance abuse prevention and awareness in Yonkers Public Schools, deemed in the best interest of the District. Impact of services on the District includes: 93.8% of HS students reducing alcohol/marijuana use; 88.7% of HS students did not receive a suspension or detention after their first visit and 95.5% of MS students did not receive a suspension or detention after the first visit. This proven record of success demonstrates the professional, skill and expertise of the counselors and program effectiveness.

APPROVAL: I certify that to the best of my knowledge the information above is a complete and accurate justification for the competitive procurement of these services.
