Re: Recommendation Letter for YPS "Lincon HS Electric Service-Feeder Replacement" Under
Emergency Declaration.

Dear Mr. Pavone,

We are writing to provide our recommendation for the Electrical Contract for above referenced project. On Friday, July 16th, bids were opened from two Electrical Contractors. The low bid contractor has a good understanding of the work along with relevant experience on similar projects.

Based upon our review, Barile Gallagher & Associates sees no reason not to award the Bid in the amount as summarized below:

Electrical Contract - Verde Electric Maintenance Corp. \$ 28,224.92

We look forward to working with Yonkers Public Schools and the construction team. Please feel free to contact our office with any additional questions.

Sincerely,
Barile Gallagher & Associates
