**SchoolPace/eIRLA**

SchoolPace is an online performance management system that provides student performance data for all stakeholders. Teachers, school administrators, and district administrators can access dashboards, reports, and graphs that show detailed information about reading progress. SchoolPace gives real-time, actionable insight into the volume of reading being completed, the amount of growth being made, and which reading standards are being mastered. Most of these analytics are driven by data from the eIRLA, a powerful formative assessment conferencing tool. With the eIRLA, teachers can track which standards each student has mastered, and use embedded assessments to provide evidence of that mastery. This SchoolPace/eIRLA subscription is valid for one school for one school year, starting July 1 and ending June 30 and/or half year January 1 through June 30.
