Good Afternoon,

I have attached a contract, that will work for the transportation to Randolph Academy. I understand this went out to bid twice with no responses. This is the best possible way I can give you an approved contract, under the threshold of the 20K aggregate, that can be approved. So with this contract at \$ 19,990.00 it can be approved for this year.

However, Since technically this was not bid , you may not do an extension for next school year.

I see you have RFP's in place. Could you see if All county, First mile or Royal coach could do this transportation next school year and you may add this destination to one of the three contractors you already have in place. Using your add/delete clause.

I hope this helps.

Should you have any questions please call or email.

Thank you
