Executive Summary

Company Profile

Crown Castle LLC, the bidding entity here, is a wholly-owned subsidiary of Crown Castle International Corp., an S&P 500 company that is dedicated to long-term ownership and operation of communications infrastructure. Crown Castle owns and operates approximately 40,000 cell towers and 75,000 route miles of fiber supporting small cells and fiber solutions across every major US market. This nationwide portfolio of communications infrastructure connects cities and communities to essential data, technology and wireless service – bringing information, ideas and innovations to the people and businesses that need them. Custom built networking solutions tailored to specific customer needs enable the highest levels of diversity, security, and protection

Who is Crown Castle Fiber?

Crown Castle Fiber has been the brand name for our entire fiber solutions business, which includes various companies Crown Castle has acquired in recent years (including Fiber Technologies Networks, L.L.C.; Fibernet Direct Texas LLC; Fibernet Direct Florida LLC; Wilshire Connection, LLC; Lightower Fiber Networks I, LLC; Lightower Fiber Networks II, LLC; and Sunesys, LLC). As a result of a merger transaction effective January 1, 2019, Crown Castle Fiber LLC is now the successor in interest to each of those former affiliates, and the legal entity delivering our fiber products nationwide.

Company Experience

Crown Castle Fiber is a fiber solutions provider with a 20-year history of owning and operating communications infrastructure across the country. We work closely with our customers to build a solution that allows them to run their organizations today, while setting the stage for tomorrow's most transformative innovations. Through organic growth, strategic mergers and acquisitions, and an unwavering commitment to customer support and satisfaction, Crown Castle Fiber has positioned itself as a top provider of mission critical networking and broadband services utilizing end-to-end fiber connectivity.

Crown Castle Fiber's network also offers unparalleled local density and route diversity. Crown Castle Fiber is also proud to be one of the only fiber providers who can operate in the power space and diverse power line routes throughout most of our footprint. This makes it possible for customers to have diverse routing for their mission critical services. Crown Castle Fiber offers customers a complete suite of fiber-based networking solutions including Dark Fiber, Ethernet, Wavelengths, SONET, Video, Internet Access, and Collocation.

Crown Castle Fiber is committed to providing exceptional support and care to customers while ensuring industry-leading levels of service and reliability for their networks. At a time when the fiber industry is going through great changes, we're committed to being a dependable, stable partner that you can count on today, tomorrow, and for many years to come. Since we own our entire fiber network, we are directly invested in its integrity and can provide faster response times and issue resolution.

Crown Castle Fiber continually receives the highest marks and reviews in the industry for our operations and customer support. Since 2009, Atlantic-ACM has ranked us first in the industry in categories including Network Performance, Provisioning, and Customer Service.

Your District, Our Expertise

Today's modern classrooms and libraries use advanced technologies and applications that require high-performing network solutions. As a long-standing E-rate partner across every major US market and connectivity to more than 500 school districts and libraries, we have a depth of experience and expertise you can count on. And with our broad range of both lit and dark fiber solutions, we are in the best position to help you build and maintain exactly the network you need today and in the future.

Why Crown Castle Fiber?

Expertise:

- We are a certified E-rate Program Provider with experience implementing and managing both lit and dark fiber solutions for K-12 schools.

Consultation:

- We take the time to carefully consider all your needs and deliver a solution that meets your business requirements and opens up new opportunities.

Service:

- We have locally based service teams who are available to you whenever you need them, and with our around-the-clock Network Operations Center, you can be sure your network will always be in good hands.

Streamlined solution:

- With a single point of contact, you'll always know who to reach out to for all of your network needs.

E-rate Expertise

E-rate, the schools and libraries Universal Service support mechanism, provides discounts to assist eligible schools and libraries in the United States in obtaining affordable telecommunications and internet access solutions. With participation in the E-rate program for over 18 years and dedicated E-rate personnel, we are experts in the field aiding our customers to participate in the program through a seamless process. One of Crown Castle Fiber's prime missions is to provide fiber based WAN services for academic institutions through this E-rate program. Crown Castle Fiber currently serves over 500 educational institutions and is among the top 10 service providers across the country for E-rate funding.

Bidding entity: Crown Castle Fiber LLC

SPIN (498 ID) # 143005274

FCCRN # 0006-2544-03

NYS State Contract: PS 68694 Group 77017 Award #23100

Green Light Status

7/11/2019 10:08 AM

Current Status of FRN 0006254403

STATUS: **Green**

You have no delinquent bills which would restrict you from doing business with the FCC.

The Red Light Display System checks all FRNs associated with the same Taxpayer Identification Number (TIN). A green light means that there are no outstanding delinquent non-tax debts restricting business with the Commission by any FRN associated with requestor's TIN. The Red Light Display System was last updated on 07/11/2019 at 6:35 AM; it is updated once each business day at about 7 a.m., ET.

Product Overview

Crown Castle Fiber's Flexible Private Line Benefits

Crown Castle Fiber's unique fiber assets, routes and secure rights-of-way provide the network infrastructure that your business needs, where you need it, to support mission-critical applications.

- Allows customers with in-house optical expertise to manage their own network
- Enables customers to select the equipment best suited to support their applications
- Flexibility to support a large number of configurations, services, and applications
- Delivers virtually unlimited bandwidth at a fixed cost with the potential of capitalizing your network as an asset
- Dark Fiber networks are under your control, completely secure, and are tailored to your connectivity requirements
- Crown Castle Fiber's network leverages unique rights-of-way providing added resilience to your infrastructure
- Ability to leverage Crown Castle Fiber's networking expertise and benefit from its award winning customer service
- Strong ROI for companies that use substantial bandwidth and utilize numerous services
