The Connect Kids to Parks Field Trip Grant Program (Connect Kids) is a field trip refund grant program connecting New York schoolchildren with nature and New York State history.

How Does It Work?

The Connect Kids will refund up to \$1,000* of the field trip costs for visits to a New York State Park, Nature Center, or Historic Site (Parks), or a Department of Environmental Conservation (DEC) Environmental Education Center, fish hatchery, or selected DEC sites.

Eligibility

Grants are available on a first come, first served basis. Grants refund field trip costs including transportation, program fees, entry fees, and/or pavilion fees. Schools, youth bureaus, or afterschool programs pay for services first and are then reimbursed their expenses after the trip. Chaperones that drive separately will not be refunded for any field trip expenses.

The 2017-18 Application Period Opens on July 1, 2017
