Ms. Dawn Bartz,
Director of Social Studies PK-12
Yonkers Public Schools
One Larkin Center
Yonkers, NY 10701

Dear Ms. Bartz;

The Connect Kids Field Trip Grant Program has been funded for the 2018-2019 school year by the New York State Legislature.

The Connect Kids to Parks field trip grant program offers state grants to public schools in Title 1 districts throughout New York State to fund field trips to state parks and historic sites for environmental, historical and physical education programming.

Applications are accepted on a rolling basis for field trip from July 1, 2018 through June 30, 2019. Grants are awarded by classroom and refund transportation, program fees, pavilion rental fees, and more for field trips to state land managed either by State Parks or the Dept of Conservation.

Should you have any questions about the grant program, please feel free to contact me.

Sincerely yours,

Susan A Carver
