Via Resolution 17.5 at their stated meeting on January 20, 2016 the Board of Trustees awarded a requirements contract to Fuller & D'Angelo Architects and Planners for an amount not to exceed \$1 million. This resolution is to assign the following specific capital work under that contract.

F&D will be required to produce the design plans, specifications, estimates, SED building permits, bid documents and low bidder recommendations for the above referenced project. F&D is also to provide all construction management services.

Rationale: The scope of construction work anticipated will include but not be limited to the reconstruction of the: auditorium's exterior envelope, shingle roofing, exterior doors, basement classrooms & the main gym, select walls and ceilings and the construction of select ADA compliance features.

The overall project cost is anticipated to be \$5.5 million, however only the cost of this particular task (\$419,500.00) has been authorized as of this date. A more precise scope and construction cost estimate will be defined under the Schematic Design portion of this design work.

Construction is anticipated to commence in the fall of 2016 and be completed by September 2017. This task order is to end by December 31, 2017.
