Dear Jeremy Rynders,

I am pleased to inform you that the CrossFit Foundation has approved a grant for \$10,000 USD in support of Saunders Trades and Technical High School's CrossFit Schools program, with the understanding that this grant will support the purchase of gym equipment and related materials.

**Payment schedule and reporting requirements:**

A check will be issued within one month of receiving the signed award letter.

Please send us a mid-year narrative update after equipment has been purchased and is actively being used and a full report at the end of the fiscal year summarizing the use of funds under the grant and the status of the Saunders Trades and Technical High School CrossFit Schools program.

Please sign and date one copy of this award letter and return it to us by July 1st, 2024 to accept the above reporting terms and receive the grant funds. Please include your current W9 with your signed award letter (the grant award check will be mailed to the address on the W9).

Thank you for partnering with the CrossFit Foundation. We look forward to hearing about your success! Please feel free to contact me with any questions or to discuss how the CrossFit Foundation can support the successful completion of the project.

Sincerely,

Joshua W. Murphy
