Boreal Standard Compound Microscopes

★★★★★ Avg. Ratings: 5.0 (2 Reviews)

Boreal Standard Microscopes feature metal construction, a rugged student-proof design, and precision optics, making them a favorite among educators.

- ▶ Coated-Glass Optics
- ▶ Wide-Field Eyepiece with Pointer
- ▶ Lifetime Warranty

This Boreal microscope's coated glass optics are parfocal and parcentered for a crisp, consistent field of view. Strategically located controls, a brass-on-steel focus guide, a 360° rotatable head for viewing from any angle, a graduated mechanical stage, and an eyepiece pointer are all standard. Made of sturdy metal, it's designed to withstand years of wear and tear.

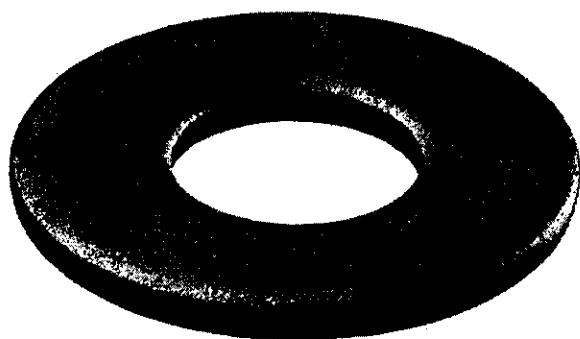

A reinforced joint between the head and eye tube prevents stripping, and a recessed eyepiece set screw prevents tampering. A slip clutch protects gears, and an adjustable, recessed stage stop protects optics and slides. Microscopes are 14 $\frac{1}{2}$ " tall.

Ordering information: This microscope includes a manual, a dust cover, and a manufacturer's warranty.

Any images used are not necessarily representative of any product offering from Ward's Science and do not constitute the basis for purchase decisions.

Customer is responsible for unloading and providing standard receiving facilities for large and/or heavy shipments. Special unloading or delivery can be arranged, provided Ward's Science is notified at the time of order placement. For such arrangements, please contact Ward's Science for a quotation. All quotes for installation assume that services related to the equipment are in place at the Customer site (including, but not limited to, gas, plumbing, electrical and ventilation) as per the equipment manufacturer's specifications prior to the installation of the equipment. Installation or other services are not included in this quotation, unless otherwise noted on the quotation.

Items prefixed with "MISC" are subject to regulatory approval once Ward's Science receives acceptance from the customer. They are special order, and as such may not be returnable. Please allow 6-8 weeks delivery from the time of your first order or acceptance of this quotation.
