PRICE LIST

This price list supersedes all previous price lists. *Prices Subject to Change Without Notice*

Dealers and Distributors must use their authorized discount on the included LIST Prices. Discounts do not apply on any posted online prices. ****Lyon has a \$100 NET minimum order requirement**

STANDARD PACKAGES

When other than the Standard Packaging quantity is ordered, Lyon reserves the right to increase the order to a standard package.

COLOR INFORMATION

The standard finish for all Lyon products is either Dove Gray or Putty, unless otherwise noted by a different color prefix in front of the part number. Other colors may be available at no extra charge from manufacturing schedules. See your local Lyon factory representative or dealer for delivery information on these non-stock colors.

To indicate color preference when ordering, use the prefix letters from below in place of 'xx'

DD - Dove Gray PP - Putty

ROUTING SHIPMENTS

Customer specified routing will be tendered freight collect or through third party billing. Lyon specified routing will be tendered freight prepaid. Freight costs charged to the customer will then be added as a separate item on our invoice.

DAMAGE IN TRANSIT

(Customer Specified Routing): For your protection before accepting any shipment examine it carefully. If there is evidence of damage or shortage insist that the delivering carrier make suitable notation to that effect on the freight bill before you sign it, since you are responsible for filing claims with the carrier.

(Lyon Specified Routing): Before accepting any shipment you must examine it carefully. If there is evidence of damage or shortage, make the appropriate notations on the freight bill immediately. You should refuse delivery on damaged items only. Carrier will notify Lyon of refused items(s) and Lyon will issue a replacement order for immediate shipment.

Caution: When you give the delivering carrier a clear receipt for a shipment in which there is damaged merchandise or a shortage the carrier and Lyon are relieved of further responsibility.

CONCEALED DAMAGE

When you find damage that wasn't visible at delivery, you must report it to Lyon with five (5) days of delivery. Lyon will request carrier to make an inspection. If it is a problem that should have been detected at delivery, such as carton damage, the claim will not be allowed. If the claim is true concealed damage, carrier will pick up damaged material and Lyon will issue a replacement order.

RETURNED SHIPMENTS

Unless authorized in writing by Lyon, merchandise cannot be returned.

CHANGES AND CANCELLATIONS

Orders for selections designated as other than standard are not subject to changes or cancellations due to their impact on specific manufacturing schedules.
