Dear Mr. Carr,

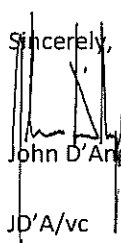

We have reviewed the proposal submitted by Luzon Environmental, Inc. for work related to the oil tank repair associated with the above referenced project. It is our opinion that the costs presented are reasonable for the project work scope.

We have completed many projects in the past with Luzon with no issues. Luzon is currently contracted with YPS for oil tank related services.

Based on this, we have no objections with awarding Luzon Environmental this contract in the amount of \$48,340.00.

If you should require any additional information, please do not hesitate to call.

Sincerely,

John D'Angelo, ARA, LEED AP
