Subject: *Sole Source certification*

Dear Erika:

This letter is to certify that the Transfinder Corporation is the developer of the Transfinder product line, being Routefinder Pro, Routefinder Plus, Viewfinder & Infofinder I & Tripfinder. Transfinder remains the exclusive holder of all copyrights for these products and other Transfinder products not listed.

It is further certified that Transfinder Corporation has not made these products available through any third party resellers or distribution channels and that there is no known competing product with the exact specifications.

Sincerely,

Greg Zibro
VP, Business Development
