Roosevelt HS Emergency
 Roof Wind Damage Project
 631 Tuckhoe Road
 Yonkers, NY 10710

DESCRIPTION OF SALE:

Milcon will provide labor and materials to replace roof at Roosevelt HS which was blown off due to wind damage - and will maintain temporary roof. Milcon utilized a lull to remove old blown off roof and placed in dumpster. Milcon put on a temporary roof with 060 EPDM and secured with roofing screws, termination bar and lap sealant caulking

To date - Milcon has provided materials and services as follows:
