

**Overview:**

Electrical work for CIP 10876 "Phase 2 of 3 for Windows, Masonry, Interior Improvements & Site Work" at Family School 32. Work includes replacing all classroom lighting and controls, new electronic school sign, site lighting for the parking lot expansion, and select power upgrades for school equipment to operate on the new emergency generator backup power.

In compliance with General Municipal Law 103, bids were let and opened in public on February 14, 2025. Three (3) bids were received and reviewed. The bids were duly examined and all due diligence observed in determining that Talt Electric is the lowest responsive and responsible bidder. The work was designed by Fuller & D'Angelo Architects & Planners, P.C. The highest bid was \$977,777.00.
