SOLE SOURCE: Only one vendor is capable of providing the service.

SINGLE SOURCE: The service is available from more than one source, but for particular reasons it must be procured from a specific vendor.

- Single Source: Upgrade to existing software available only from the software developer who sells on a direct basis.
- Single Source: Upgrade to existing software available only from the software developer's designated Value Added Reseller for this territory.
- Single Source: Continuation of an on-going service already procured from this vendor. Provide the reasons why it would not be prudent to procure these services from another vendor.
- Single / Sole Source: Sole provider of a patented or licensed service.
- Single / Sole Source: The requesting Department can demonstrate that such services, due to unique or special circumstances, cannot be procured through a competitive Request for Proposal process.

JUSTIFICATION: Provide detailed reasons why it is in the best interest of the taxpayers to contract with this vendor without competition.

The Yonkers Police Athletic League allowed the use of their facility to host the YPS Peace Program for the past academic years of 21-22, 22-23, and 23-24. It is in the best interest of the students serviced and the program to continue the partnership with this vendor, and keep hosting the program at this facility for the 2024-2025 academic year.

APPROVAL: I certify that to the best of my knowledge the information above is a complete and accurate justification for the competitive procurement of these services.
