Project Description: The Center for the Professional Education of Teachers creates customized professional development experiences for teachers and school leaders. Through onsite coaching visits and workshops, we support the needs of the school and the vision of the principal to meet the students where they are and build momentum so they can reach their goals.

Goals: The CPET Coach(es) will ...

1. Provide instructional coaching for Math teachers through classroom visits, critical reflection and co-planning when valuable.
2. Offer recommended models for differentiating instruction through strategic student grouping, tiered problem solving and gamification strategies to help students access and engage the content.
3. Support teachers in implementing Engage NY Units of study with purposeful modifications when necessary.

Total # of Days: 6 Days

Anticipated Start: Summer 2018

These are suggested packages crafted specifically for your school based on the discussions we have had about your needs. CPET is committed to meeting the real needs of schools, therefore each package is highly customizable. Please contact us with any questions about this proposal. --Thank you!
