Bids for RFP 6279 were publically advertised, received and opened on April 25, 2018. One bid was received and reviewed. This year's award is only \$30,729.00 less than last year's contract. Due to a reduction in estimated amount of repair work that will be required on these systems.

**Rationale:**

Hudson Valley Fire Protection, Inc., has won this contract in the past through competitive bidding and has performed acceptably. Last year's contract was awarded for \$87,904.00. The Purchase Order was later reduced by \$35,000.00 (requested by the COY Budget Office) bringing the actual contract value to \$53,300.00, out of which \$38,859.39 was expensed as of May 1, 2018. Contract expires on June 30, 2018.

This is the annual service contract, with the provision for renewal upto three years by mutual consent under the same terms and conditions.

This work is required to comply with the fire code requirements that all kitchen hoods and fire suppression systems are inspected, tested and certified operational for use throughout the District.
