Re: Bid Award Recommendation - Contract 5 – Electrical
Yonkers Roosevelt High School - YPS Project #10742
S.E.D. Project #66-23-00-01-201-015

Dear Mr. Carr:

On September 29, 2017, the District received bids for the above referenced project. Three bids were received for Contract 5, electrical construction work.

The low bid was submitted by:

RLJ Electric Corporation
860 Washington Street
Peekskill, New York, 10566
Telephone: (914) 739-9659

Bid Amount (base bid and allowance): \$315,000.00

On October 18, 2017 a responsibility hearing was held to evaluate the bid. The meeting was attended by:

Lee Pavone	Yonkers Public Schools (Owner)
Minaz David	Yonkers Public Schools
Ken Bond	Sammel Architecture PLLC (Architect)
Chris Mandler	RLJ Electric Corporation

The purpose of the meeting was to evaluate the bidder's qualifications and review the bid. During the meeting it was confirmed that they had a satisfactory understanding of the project scope and construction schedule. This contractor has successfully completed projects for the Yonkers Public Schools, most recently at the Middle High School, YPS

project #10572. We (Sammel Architecture) worked well with them on this project. We find no reason to disqualify the bidder.

Based on the above information, we recommend that the Yonkers Public Schools award the following contract:

Contract 5 - Amount: \$315,000.00
Contractor: **RLJ Electric Corporation**
860 Washington Street
Peekskill, New York, 10566
Telephone: (914) 739-9659

Please do not hesitate to call me if you have any questions, or if you require any further information.

Sincerely:
SAMMEL ARCHITECTURE PLLC
