Amount of Contract:	\$28,565.00
Account: (general fund, grant, capital)	450.5231.100000.2060.B2300 (General Funds)
Scope/Services:	<p>SCOPE: Educational Vista provides data analysis and assesment software to educational agencies across the country. The Yonkers Public School District has relied on Educational Vistas StaffTrac and Datamate software to support the Schools Districts need for staff evaluation and student assesment analysis. <b>(StaffTrac)</b> The Yonkers Public Schools engage in a variety of activities associated with walk-throughs, observations and evaluations. In the interest of accuracy and efficiency, there is a need to automate the process used by building administrators to capture the information in walk-throughs and observations. Further, it is important to collect the information in data base files to support review, analysis and reporting of the information collected in walk-throughs, observations and evaluations. The contract will also include custom form design for Annual Evaluations. Software from StaffTrac system will collect, store, summarize, report and extract walk-through and observation data.</p> <p>SCOPE: <b>(DataMate)</b> DataMate is a web-based assessment management system. The system provides educators with a program to administer assessments and analyze assessment data to improve instructional alignment and student achievement.</p>
