Yonkers School District

January 11, 2019

Good afternoon Paul Carney

I am writing this letter regarding the three schools that Stanley Security has proposed to upgrade the following schools listed below since the panels currently are no longer in service and are not transmitting signals to a Central Station. This has prompted Yonkers School District to upgrade these three schools as listed below immediately to restore security at the school if there are any questions please let me know.

Schools Listed below

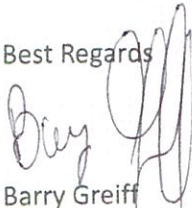

Yonkers School Dehostos – Installation Cost \$10,589.00 Monitoring charges \$48.00
Yonkers School Montessori- Installation Cost \$ 15,432.00 Monitoring charges \$96.00
Yonkers School Crosshill Academy Installation Cost \$ 13,989.00 Monitoring charges \$48.00

Total Installation Cost ----- \$40,010.00 Total

Monthly Services

The equipment above will be under warranty for 90 days and if in the future they can add maintenance to the systems above at some point for additional monitoring charges. As discussed, the schedule A will be reviewed prior to the end of the year.

Best Regards
