RE: LETTER OF RECOMMENDATION – **CONTRACT #1 – GENERAL CONSTRUCTION SITE HULL CONSTRUCTION AND RESTORATION, INC.**
YONKERS PUBLIC SCHOOLS
PHASE 1 OF 2 FOR WINDOWS, MASONRY, INTERIOR IMPROVEMENTS & SITE WORK
AT SCHOOL 32 -YPS #: 10876
SED #: 66-23-00-01-0-032-010
FULLER & D'ANGELO, P.C. PROJECT #: 19360.01

Dear Lee,

On March 1, 2024, seven (7) GC bids were received for the above project.

- The lowest apparent bidder was PB Contracting Corp. in the amount of \$1,145,000.00. We understand PB Contracting has requested to withdraw their bid due to a mathematical error.
- The second lowest bidder was Hull Construction and Restoration with a bid amount of \$1,523,900.00.

YPS SFMD, Triton Construction and Fuller & D'Angelo conducted a virtual pre-award meeting with Hull Construction (Mark Petrosino and Richard Giannasca) on March 13th, 2024. The project scope and bid response were reviewed. Hull indicated they had no reservations in their bid submitted. It was evident Hull Construction had a clear understanding of the project scope and scheduling requirements.

Hull Construction has worked on many school projects with Fuller and D'Angelo in recent years as both a prime contractor and as masonry subcontractor to the prime contractor. Hull Constructed completed the partial roof replacement and masonry restoration at Gorton HS (YPS#10656) completed in 2017.

Based on this meeting, and our experience with Hull Construction, we have no objections with YPS awarding Contract #1 -General Construction Site work to Hull Construction, in the amount of \$1,523,900.00.

If you should require any additional information, please do not hesitate to call.

Sincerely,

John D'Angelo, ARA, LEED AP
