## I. Introduction:

On November 4, 2014, New York State voters approved a statewide referendum, the Smart Schools Bond Act (SSBA), as part of the General Election. This approval authorized the issuance of \$2 billion of general obligation bonds intended to finance the improvement of educational technology and infrastructure throughout the State. As a result of the SSBA, the Yonkers Public Schools was allocated a total of \$23,965,851 to be used in support of the following eligible categories:

- **Educational Technology Equipment** – including but not limited to – interactive whiteboards, desktops, laptops, tablets, servers
- **High Speed Broadband**
- **Wireless Internet Connectivity** – for schools and communities.
- **Construct, Enhance or Modernize Educational Facilities** – to accommodate Pre-K programs
- **Provide Instructional Space** – to replace transportable classroom units
- **High-tech Security Features** – in school buildings and campuses

The District has assembled a Smart Schools Bond Act Committee, which includes representatives from all stakeholder groups, as outlined in the SSBA Guidance. The committee has been charged with the development and implementation of the Smart Schools Investment Plan (SSIP).

As is required by the statute, the Yonkers Public Schools has completed and submitted the District's 2015-2018 Instructional Technology Plan and Survey which was approved by the New York State Education Department on October 16, 2015. All anticipated technology related expenditures are in alignment with the goals and expectations of the District's Technology Plan.

**III. Smart Schools Investment Plan Goals**

**SCHOOL 30: Construction of new PreK Classrooms and Replace 2 Transportable Temporary Classrooms requesting \$5 million in SSBA Funds**

School 30 will be expanded by constructing a new single story addition that will provide an additional 5 classrooms three of which will be new PreK classrooms. The addition will also replace two modular rooms the net gain will be three classrooms. The SSBA application will seek to cover the cost of the three new PreK rooms and the cost to demolish and replace the modular classrooms.

The estimated cost of the entire project is currently \$10 million. The portion eligible for SSBA reimbursement is approximately \$5.0 million. The remaining \$5.0 million, would be eligible for conventional SED building aid at 70.01%. The overall local share will be roughly \$1,500,000.00.
