Shapes Series Sit-to-Stand Desk

The Shapes Series Sit-to-Stand Desk keeps your students alert and focused during lessons. The easy-to-use pneumatic height adjustments lets students quickly adjust the desk's height without disrupting the class. Adjust the desk as low as 27 inches to accommodate 16-inch chairs and up to 42 inches high. The medium-density fiberboard desktop features a melamine finish that resists scratches and dings and makes clean ups a breeze. A belly curve in the front of the desktop gives students the space they need to lean over the desk as they read or study. The 14-gauge steel frame holds up in busy classrooms. Four three-inch casters (two locking) make it simple to move this desk around the classroom. A backpack hook keeps belongings off the floor. Choose a maple or gray nebula desktop.
