Dear Mr. Tischler:

The above-captioned Bid expires on June 30, 2024. There is, however, an extension clause which would allow Southampton UFSD to extend the award through June 30, 2025 at the same terms and conditions.

Please signify your intentions with regard to this Bid by completing the section below and returning this letter to me via fax @ (631) 287-2870 or email dleef@southamptonschools.org.

Thank you for your prompt attention to this matter.

Sincerely,

Danielle Leef
