To Whom It May Concern:

This is to certify that CountryWatch, Inc. is the sole source supplier of electronic subscriptions to the website service, CountryWatch.com. We are the content originator, owner and operator of the CountryWatch.com website and are the sole provider of subscriptions to the CountryWatch Suite of products which include the following resources:

CountryWatch Premium Online: an online resource that offers *CountryReviews*[™], an up-to-date series of publications for each country including demographic, political, economic, business, cultural and environmental information, and the *CountryWire*[™] that provides daily news coverage for every country in the world and a significant news archive made up of the compendium of regional news carriers. Finally, **CountryWatch's** Premium Service also features *CountryWatch Data*, the *CountryWatch Map Gallery*, the *Image Gallery*, the *Global Guide*, the weekly *Political Intelligence Briefing* and the associated *Intelligence Wire*.

CountryWatch Forecast: a 20-year projection for key variables in the areas of Macroeconomics, Energy, Metals and Agriculture for each of the 194 countries of the world. The Forecast also provides 5 years of historical data along with the forecasting models. Not only is the CountryWatch Forecast a useful forecasting resource, it is also an excellent teaching tool.

CountryWatch CultureWatch: a concise version of CountryWatch tailored to younger students exploring the countries of the world. The Youth Edition incorporates resources appealing to the younger audiences such as cultural information, recipes, quizzes, interesting facts, etc for each of the 194 countries of the world.

CountryWatch Elections Central: an online resource focused solely on international elections. Here, users can access the following:

- Comprehensive list of past and upcoming international presidential and parliamentary elections around the world;
- Election Profiles – gives a summary of selected elections: the positions at stake (parliamentary and presidential), the names of the candidates running in the final election, and the past outcomes.

- Country Profiles – overview of the countries in which elections are held, including an outline of the current government structure;
- And, extensive coverage on elections in the United States.

CountryWatch Political Intelligence Briefing (PIB): an in depth report on significant political developments across the international spectrum. The Political Intelligence Briefings are written by CountryWatch's editor on a weekly basis and it is intended to inform users of important political events evolving in the world and global hotspots. Online access also includes a one-year archive of weekly PIZ reports, Political Intelligence News Wire and Country Overviews.

Country Profile Video Series: a collection of short video documentaries using the information developed by CountryWatch in the Country Reviews™, Country Wire™ and the Political Intelligence Briefing™ as the guidelines for the documentary. The countries covered in this series include 24 high profile countries such as: Iraq, China, Israel, Syria and Afghanistan. The Country Profile Videos review the geography, history, politics and economics of the country.

We greatly appreciate the interest in CountryWatch and look forward to serving you. Please let me know if you need further information.

Sincerely,

Juana Salgado
