

October 12, 2018

Dear Valued Customers, Suppliers and Business Partners,

We are excited to announce that Education, Inc. has changed its name to:

EI US, LLC dba LearnWell (, LearnWell Services)

In January of this year our ownership changed to Brook Venture Partners and our name was changed to better represent our focus on education and healthcare. Our commitment to excellence and our expertise providing customized educational programs remains our company focus. Our rebranding effort will allow us to continue to grow our company and develop additional services and programs.

LearnWell will continue to operate in its current structure and your contacts will remain unchanged. Our office location, phone, and fax numbers will remain the same; however, all email addresses should now be directed to (contact name)@learnwelleducation.com and our website is now www.learnwelleducation.com.

Should you have any questions regarding this name change, please feel free to contact your LearnWell representative.

Sincerely,

A handwritten signature in blue ink, appearing to read "Dave Ramsden".

Dave Ramsden
CEO
