Ms. Debra Censi  
City of Yonkers/Yonkers Public Schools  
Bureau of Purchasing  
1 Larkin Center – 3rd floor  
Yonkers, New York 10701

Ms.Censi,

Request for Bid withdrawal  
RFB-6276: Roof and Masonry Repair at School 17 and Saunders Trades & Technical High School  
Repair

We regret to inform you that we made a mistake in our bid and would like to request to withdraw our bid. We did acknowledge the addendum signing page but the drawing page was in separate file that we did not see. We did not realize the drawing was in a separate file with changes. So we only printed the addendum and price page, because we did not know there was additional drawing page in a separate file.

We reviewed today and find that there is a huge difference between the original and the addendum drawing. It shows racking and pointing as additional work in the addendum that we did not consider in our bid. As a result, we would like to request to withdraw our bid and apologize for this inconvenience.

Thank you.

Yours sincerely,

Tariq Khan  
President
