

## PERFORMANCE BASED CONTRACT GUIDELINES

1. WHAT IS THE PURPOSE AND SCOPE OF THE SERVICE? (Describe in detail any services to be provided or materials to be purchased)

The purpose of using Edmentum is to enhance the educational experience for both students and educators. Edmentum is an online curriculum that provides innovative, research-backed solutions designed to accelerate learning and help students thrive academically and in their future careers. By offering a range of online learning programs, Edmentum supports personalized learning, helps address diverse student needs, and ensures equitable access. Additionally, Edmentum's tools and resources empower educators by providing them with the support and flexibility needed to effectively teach and engage their students. Edmentum offers a comprehensive range of services for Career and Technical Education (CTE) instruction, designed to prepare students for future careers. They emphasize career-connected learning, integrating academic instruction with career preparation through multiyear career pathways, aiming to improve student engagement. Additionally, Edmentum provides a variety of CTE courses and capstones that prepare students for industry credentials and work-based learning programs, all aligned with national and state CTE standards. These services are designed to help students explore career options, gain relevant skills, and achieve their educational and career goals. This will support student learning at the middle school level.
